

**2010 FEA National Conference  
Theme Development Competition  
First Place Theme**

**Name:** Josh Hardymon

**School:** Augusta Independent High School

**2011 FEA National Conference Theme:** "Teaching is the Gateway to the World!"

**Research/Explanation of the Theme:** Research indicated that Atlanta has the largest airport in the world. Therefore, Atlanta is the gateway of the world, providing all people with the power to interconnect through teaching, diversity, understanding, acceptance, and business. Preparing students for these areas are what teachers strive to achieve.
